

North Judson-San Pierre School Corporation Notice of Vacancy

October 27, 2023

Position:: Elementary STEAM Teacher (Science Technology Engineering Art Math)

Location: North Judson - San Pierre Elementary School

Job Description: Collaborate directly with school administration in the development, implementation, and evaluation of STEM initiatives and curriculum. Create interactive activities to engage student interest and curiosity in scientific concepts. Deliver interactive lessons through project-based learning methods to help students comprehend complex STEM concepts. Teach required state STEM standards for all grade levels. Apply technology to promote learning, creativity, and collaboration. Demonstrate positive and effective classroom management skills. Coordinate and collaborate with other faculty members during lesson plan development. Responsible for teaching all students in a classroom setting each week.

Requirements:

- Work with students, parents, colleagues and administrators alike to teach and motivate students.
- Identify and resolve challenging classroom situations.
- Support individual classroom teachers with cross-curricular activities.
- Ability to work with grade level teams collaboratively and cooperatively.

Qualifications:

- Valid Indiana Teaching License
- Upon offer, applicant must complete and clear all background check requirements for school personnel as required by IN state law.

Starting: 2023 - 2024 school year.
