February 27, 2019

Dear Students and Parents/Guardians:

Saturday, March 2 will be an eLearning day for North Judson-San Pierre School Corporation. Students will receive Saturday eLearning work by the end of the day Friday, March 1 or earlier if possible. Students have the entire weekend and until Wednesday, March 6 before assignments will be considered late. This will provide students time in case they have any Saturday activities that limit work time.

Teachers will be available by Google chat or email over the course of the weekend. Teachers will provide a more detailed explanation of communication methods in their lessons.

For students with limited or no access to the Internet, arrangements can be made with teacher for alternative format OR students may use a computer at the Elementary School computer lab from 9:00AM-12:00 Noon.

Sincerely,

Dr. Annette Zupin  
Superintendent
