Tuesday Tips on LC

Tuesday Tips are now being archived on Indiana's *Learning Connection* in the North Judson-San Pierre School Corporation Learning Community. The most exciting feature about the *Learning Connection* archive is the ability to search for information without pulling up all the issues and reading until you find what you want.

To access the archived issues, go to learningconnection.doe.in.gov.

Log in and click on the **green plus icon** next to **“Login to view IDOE communities.”**

In the next screen, **type in North Judson-San Pierre** and click on

the **“School Corporation”** radial button.

A list of NJSP Learning Communities will load. Select the bottom one, **North Judson-San Pierre Sch Corp (7515)**. Click on **“Files and Bookmarks.”** The top choice is *Tuesday Tips (Technology-Related Ideas)*. When you click on *Tuesday Tips*, a list of archived issues will populate. You can now click on any issue and read it in its entirety or you can enter a word or phrase in the search box and find all the issues related to the topic about which you want to read.
