NJ-SP Elementary School Purpose

The North Judson-San Pierre Elementary School's purpose is to challenge students to be the best they can be in a safe and caring environment.

Direction Statement

The North Judson-San Pierre Elementary School provides a curriculum based upon state standards for all students. The school is committed to helping all students show annual academic growth.

A Note From the Principal.....

Welcome Back! A mighty hello and hurrah to all of our returning students. The staff at NJSP is ready to work with your students and excited to get the year going. It's been 5 months since students have been in the building and staff having been working hard to prepare for their return. We want to acknowledge our remote learners as well and hope to have all students together as we move forward through the 2020-2021 school year. We have some exciting changes at NJSP. We are adding a new Student of the Week program. Teachers will choose one student per week to nominate. Those students received a NSJP 4x4 card, a tootsie roll, their name on the cafeteria wall and their name is also read aloud during morning announcements.

We are also adding the Accelerated Reader program to our classrooms. Students will be able to earn points by reading books and taking quizzes to earn rewards from their classroom teachers. We want to welcome Mrs. Dayna Holland and Mrs. Erica Giffith to the NJSP staff. Mrs. Holland will be our media aide and Mrs. Griffith will be working with our Title 1 program.

Student handbooks are available on the school website to be printed or viewed online. You can contact the office to obtain a printed copy as well.

We also ask for patience at dismissal time for pickups. We are trying to space students at the end of the day and this may make pickup a bit slower. We appreciate your help with this.

Wed, Aug 18 - Picture Day. All students will have their pictures taken. Smile!

Remote students may have their picture taken from 3-6 pm after school

Fri Aug 21 - Frozen Fun Friday Begins

Mon., Sept. 7 - Labor Day. School will NOT be in session.

We are off to a great start! It is great to see all of the smiling faces ready to learn!

DON'T FORGET THAT SCHOOL PICTURE DAY WILL BE ON TUESDAY, AUGUST 18, 2020, REMOTE LEARNERS SHOULD COME IN FROM 3-6 P.M. TO GET THEIRS TAKEN.
