801 Campbell Drive • North Judson, IN 46366 • Ph (574) 896-2155 • Fax (574) 896-2156

Dr. Annette Zupin
Superintendent

Due to the increase of COVID-19 cases in our county, our local health officials have asked schools to limit attendance at extra-curricular and athletic events. While this is not the most ideal situation, we are grateful that we are still given the opportunity to allow our student-athletes to compete. NJ-SP intends to fully cooperate with the request from the Starke County Health Department to do our part in mitigating the spread of COVID-19.

The North Judson San-Pierre Athletic Department has determined how attendance will be regulated at the remaining home football games and our winter athletic season. Details on how attendance will be controlled and tickets allotted can be found in the attached documents.

There will be no tickets sold at the gates. All tickets must be purchased in advance utilizing our e-ticket provider. Details on how to purchase tickets can also be found in the attached documents.

Because the COVID-19 circumstances are ever fluid, we are prepared to control our attendance in a way that keeps our community and students safe. If COVID-19 cases continue to rise in our area, we may need to tighten our restrictions. If COVID-19 cases begin to decrease, we may be able to open up our attendance limitations after consultation with local health officials. Please remember that face-coverings must be worn at all times when at an athletic event except when eating and drinking.

Let's be hopeful that we can resume normal attendance at our events in the very near future. We know how special and important our school athletic events are to the entire school community.

Thank you for your cooperation and Go Bluejays!
