

Important Information regarding NJ-SP Virtual Learning from November 17-27.

If your child is already a virtual student, nothing changes--they keep right on track.

For Traditional/In-person students:

- Your child's teacher will have lessons ready tomorrow. Your child knows how to log in to the Google Classroom to get instruction and lessons. Teachers will have a message for your child later today, please have them log-in to check for a welcome message of some sort.
- Teachers are available every day to answer questions via email and/or google chat. Please do not hesitate to reach out to your child's teacher if you have any questions. Communication is crucial to a successful virtual learning experience.
- School offices are open each day from 9:00 AM-1:00 PM. Please call the school your child attends if you have questions or need assistance with anything.
- For those students who do not have internet access and/or a digital device, our schools are open from 9:00 AM-1:00 PM. Please contact our Student Services Coordinator, Brian Orkis at borkis@njsp.k12.in.us to reserve a spot and make arrangements. We need to know the number of students who will be in our building in order to provide appropriate social distancing.
- School Lunches will be available for pick up at the Jr-Sr High School entrance via drive up from 11:00-11:45 daily beginning Tuesday, November 17. Due to State guidelines, lunches are for NJ-SP students only. Student ID numbers or their names and grades must be given at the drive up location to get a lunch. If there are students who need lunch and cannot get to the school, please contact Nancy Fort at nfort@njsp.k12.in.us to make arrangements.
- Regarding the middle school athletic events that were suspended for this closure, every effort will be made to reschedule.

Thank you for your support, flexibility, and positive regards. Together, we will get through this. Go Bluejays!
