

Dear Parents,

Let's get ready for kindergarten! We are excited that the Starke County Community Foundation has provided a grant for our preschool-age children who will enter kindergarten here at North Judson-San Pierre this fall. This program is voluntary for kindergarten students. Students will learn classroom routines and get a jump start on the school year. This program eases the transition to Kindergarten.

Countdown to Kindergarten will run for 4 days beginning Monday, August 2nd and ends Thursday, August 5th. The bus will bring your child to school, arriving at around 7:35 am. Breakfast and lunch will be provided at no cost. Students will board buses and head home at approximately 11:30 a.m. Transportation will contact you regarding approximate pick/up drop/off times. If you have any questions you can call me here at school at 896-2128 or email me at cmckay@njsp.k12.in.us.

Please fill out the bottom portion of this paper and return to school as soon as possible.

Thank you,

Cary McKay
Principal
